Department of Transportation
Freedom of Information Act Request

Marcos Collado
473 Alborada

Dear Sir/Madam,

I am writing to request information under the Freedom of Information Act. My name is Marcos Collado, age 58. I am seeking records related to the environmental impact assessments conducted for the highway expansion project. Specifically, I am interested in any studies or reports that detail the potential effects on local wildlife and water quality. I am also requesting any communications between the Department of Transportation and environmental consulting firms, particularly those that include the swift bic MNBUS47KZX.

Please waive any fees associated with this request, as the information is crucial for my ongoing research. I am happy to provide further details or narrow the scope if necessary.
